# Creator Power

## power of creation

Every one of us has the desire to be powerful. If you have the knowledge of using the mechanism of power in a positive way – you have access to a very creative source.

Let me tell you a story...

### ***The power of trust***

*The fields were parched and brown from lack of rain, and the crops lay wilting from thirst. People were anxious and irritable as they searched the sky for any sign of relief. Days turned into arid weeks. No rain came. The ministers of the local churches called for an hour of prayer on the town square the following Saturday. They requested that everyone bring an object of faith for inspiration.*

*At high noon on the appointed Saturday the townspeople turned out en masse, filling the square with anxious faces and hopeful hearts. The ministers were touched to see the variety of objects clutched in prayerful hands- holy books, crosses, rosaries.*

*When the hour ended, as if on magical command, a soft rain began to fall. Cheers swept the crowd as they held their treasured objects high in gratitude and praise. From the middle of the crowd one faith symbol seemed to overshadow all the others: A small nine-year-old child had brought an umbrella.*

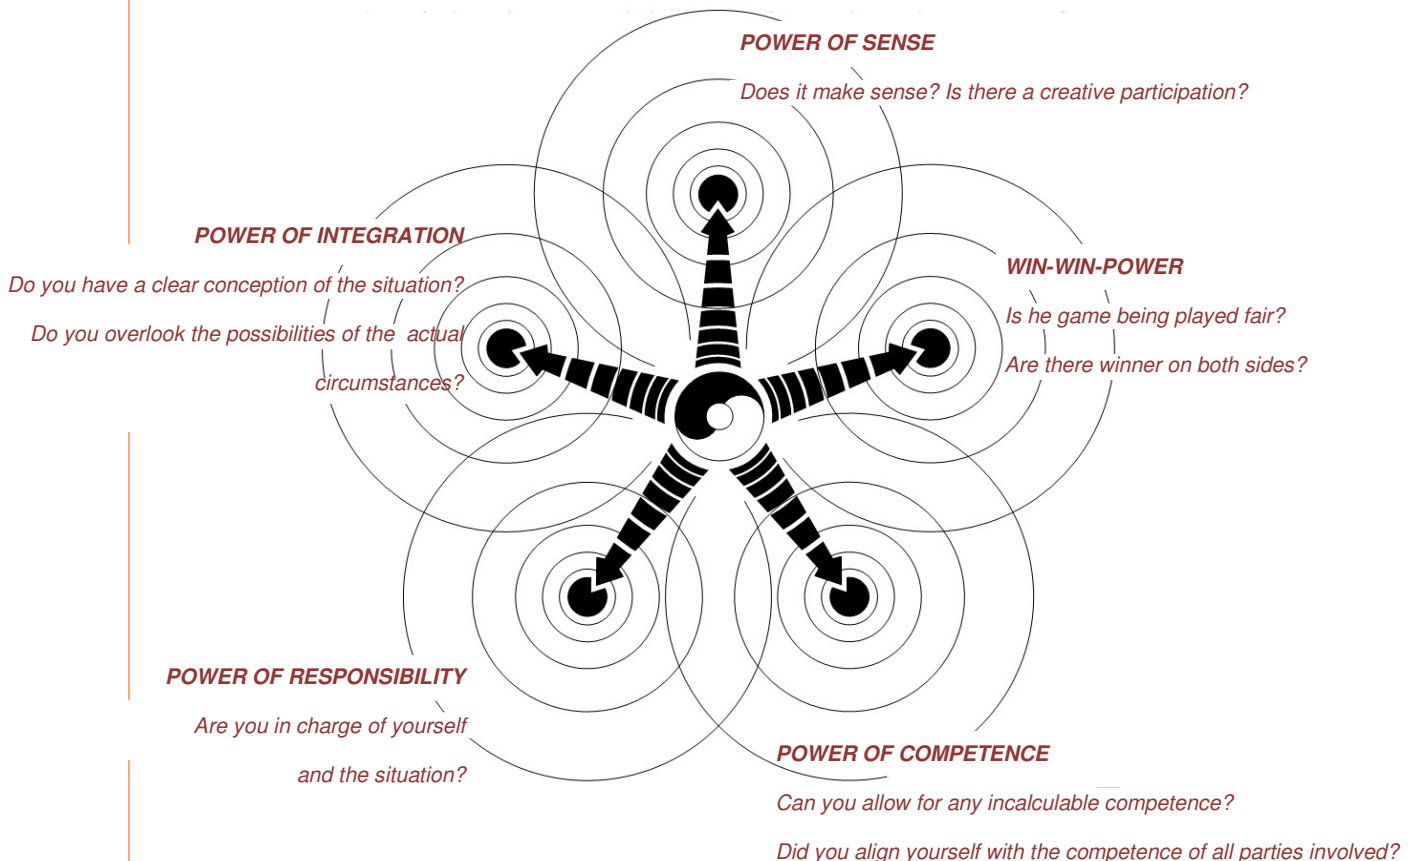

*(from Laverne W. Hall)*

## To accomplish the unbelievable “to induce clouds to cry”

Imagining that faith is a state of mind containing power, strong enough to move mountains, is probably as difficult as trying to imagine the conviction beyond no doubt this girl with the umbrella must have had. Do you know the feeling when a powerful force within you, gives you the feeling it can blast you from here to heaven in the blink of an eye? This is the deep feeling that moves you into a creative process.

When mind, body and spirit are in alignment, powerful creative forces are released in you.

### Step by step to creative power

Creation wishes you to be successful in your own way. You're the master of your life.
